I'm in the mood for love  
Simply because you're near me  
Funny, but when you're near me  
I'm in the mood for love

Heaven was in your eyes  
Bright as the stars we're under  
Oh, is it any wonder?  
I'm in the mood for love

Why should we think of weather?  
This little dream might fade  
We'll put our hearts together  
Now we are one, I'm not afraid

If there's a cloud above  
If it should rain, we'll let it  
But, for tonight, forget it  
I'm in the mood

So please don't keep me waiting  
You'll never lose  
My heart is yours for taking, darling  
I'm in the mood for love
