I got a gal who's always late
Anytime we have a date
But I love her, mmm, I love her

I'm gonna walk up to that gate
And see if I can get it straight
'cause I want her, I'm gonna ask her

Is you is or is you ain't my baby?
The way you're actin' lately makes me doubt
You's is still my baby, baby
Seems my flame in your heart's done gone out

Now, a woman is a creature that has always been
strange
Just when you're sure of one, you'll find she's gone and
made a change

Is you is or is you ain't my baby?
Maybe baby's found somebody new
Or is my baby still my baby true?

Now, a woman is a creature that has always been
strange
Just when you're sure of one, you'll find she's gone and
made a change

Is you or is you ain't my baby?
Maybe baby's found somebody new
Or is my baby still my baby true?
