Once I laughed when I heard you saying  
That I'd be playing Solitaire  
Uneasy in my easy chair  
It never entered my mind

And once you told me I was mistaken  
That I'd awaken with the sun  
And ordered orange juice for one  
It never entered my mind

You had what I lack myself  
Now I even have to scratch my back myself  
Once you warned me that if you scorned me  
I'd say a lonely prayer again

And wish that you were there again  
To get into my hair again  
It never entered my mind

Once you warned me that if you scorned me  
I'd say a lonely prayer again

And wish that you were there again  
To get into my hair again  
It never entered my mind
