"It's Easy To Remember"

Your sweet expression, the smile you gave me, the way
you looked when we met,
It's easy to remember, but so hard to forget.
I hear you whisper, I'll always love you, I know it's over
and yet,
It's easy to remember, but so hard to forget.
So I must dream to have your hands caress me, fingers
press me tight,
I'd rather dream than have that lonely feeling stealing
through the night.
Each little moment is clear before me, and though it
brings me regret,
It's easy to remember but so hard to forget.
