The snow is snowing and the wind is blowing  
But I will weather the storm  
What do I care how much it may storm  
I've got my love to keep me warm

I can't remember a worst December  
Just you watch those icicles fall  
What do I care if those icicles fall  
I've got my love to keep me warm

Off with my overcoat, off with my glove  
Who needs an overcoat I'm burning with love

My heart's on fire and the fire gets higher  
So I will weather the storm  
What do I care how much it may storm  
I've got my love to keep me warm
