I've never been in love before  
Now all at once its you  
Its you forever more

I've never been in love before  
I thought my heart was safe  
I thought I knew the score

But this is wine that's all too strange and strong  
I'm full of foolish song  
And now my song must pour  
So please forgive this helpless haze I'm in  
I've really never been in love before.

(Instrumental)

But this is wine that's all too strange and strong  
I'm full of foolish song  
And now my song must pour  
So please forgive this helpless haze I'm in  
I've really never been in love before.
