Just you, just me, let's find a cozy spot, to cuddle and
coo,
Just us, just me, I wish an awful lot to trouble with you,
We're gushing now, if need be,
What are your charms for? What are my arms for?
You use your imagination, with just you, just me
I'll tie a lover's knot with just wonderful you,
Hey, happy world, what are your charms for? what are
my arms for?
Use your imagination , just you, just me,
That's why I'll ever sigh, that's why I'll always try,
Loving wonderful you.
