It's the last dance  
We've come to the last dance  
They're dimming the lights down  
They're hoping we'll go

It's obvious  
They're aware of us  
The pair of us  
Alone on the floor

Still I want  
To hold you  
Like this forever  
And more

It the last song  
They're playing the last song  
The orchestra's yawning  
They're sleepy I know

They're wondering  
Just when will we leave  
But till we leave  
Keep holding me tight

Through the last dance  
Each beat of the last dance  
And save me the first dance  
In your dreams tonight
