Last night when we were young  
Love was a star  
A song unsung

Life was so new  
So real so right  
Ages ago last night

Today the world is old  
You flew away and time grew cold  
Where is that star  
That shone so bright

Ages ago last night

To think that spring had depended  
On merely this a look, a kiss

To think that something so splended  
Could slip away in one little daybreak

So now let's reminisce and recollect the sighs and the  
kisses  
The arms that clung  
When we were young last night
