Look down, look down that lonesome road
Before you travel on
Look up, look up and seek your maker
Before Gabriel blows his horn

Weary toting such a load
Trudging down the lonesome road
Look down, look down that lonesome road
Before, before you travel on

True love, true love what have I done
That you should treat me so
You caused me to walk and talk
Like I never did before

Weary toting such a load
Trudging down that lonesome road
Look down, look down that lonesome road
Before you travel on

Look down, look down that lonesome road
Before you travel on
Look up, look up and seek your maker
Before Mr. Gabriel blows his horn

I'm weary of toting such a heavy load
Trudging down that lonesome road
Look down, look down that lonesome road
Before, before you travel on

Look down, look down that lonesome road
Before you travel on
Look down, look down that lonesome road
Before you decide to travel on

Look down, look down, look down, look down
That lonesome road
Before you travel on
