Blue, blue, my world is blue
Blue is my world now I'm without you
Gray, gray, my life is gray
Cold is my heart since you went away

Red, red, my eyes are red
Crying for you alone in my bed
Green, green, my jealous heart
I doubted you and now we're apart

CHORUS:

When we met how the bright sun shone
Then love died, now the rainbow is gone

Black, black, the nights I've known
Longing for you so lost and alone
Gone, gone, the love we knew
Blue is my world now I'm without you.

Repeat CHORUS

Black, black, the nights I've known
Longing for you so lost and alone
Blue, blue, my world is blue
Blue is my world now I'm without you
