I'm so in love with you  
Please love me  
Whatever else you do  
Just love me

Go your way and dance and play  
Till dawn breaks through  
If you'll just call up and say  
"I love you, just you"

You're all that I desire  
Love me  
I'd die if you should tire of me  
Love me  
I'll be kind and I won't mind  
If you're not near  
If you'll only love me, dear

Love me  
I'll be kind and I won't mind  
If you're not near  
If you'll only love me, dear
