Nag means horse, nag means bother,
Lid means top, and lid means hat,
Pop means noise, and pop means father,
But love means love and you can't change that.
(Fall means flop, and fall means season,)
(Stout means ale, and stout means fat,)
(Cold means sneeze and cold means freezing,)
(But love means love, and you can't change that.)
Love means love and I love you.
I mean what I say, and I say what I mean to say,
Love means love and I love you,
Say you love me too.
Hey, Rosemary, step right here and say something real
clever for the people.
(Night means dark, and knight means armor,)
(Dish means plate, and dish means chat.)
(Chick means bird, and chic means charmer,)
(But love means love, and you can't change that.)
Cuff means hem, and cuff means credit,
Board means eat, and board means flat,
Spoke means wheel, and spoke means said it,
But love means love and you can't change that.
(Love means love and I love you,)
(I mean what I say and I say what I mean to say,)
(Love means love and I love you,)
(Say you love me too.)
Well, here we go again.
Kid means goat, (yes, and kid means baby,)
Stroke means row, (and stroke means pat,)
No means no, (or yes or maybe)
But love means love and you can't change that.
(baw, baw badu badu)
(Wrap means mink) and rap means knock it,
(Rod means wand), and rod means gat,
(Broke means crack), and broke means hack it,
[But love means love and you can't change that.]
Love means love and I love you,
(Yes, I love you and)
[I mean what I say and I mean what I mean to say,]

[Love means love and I love you,]
I love you baby, (gee that's swell,)
(I love you baby,) oh you're so nice,
[Say you love me too.]
