The statue in the harbor is a lovely sight  
The Rockettes in precision are a sheer delight  
But I for one would rather visit John McKnight  
Meet me at the Copa, meet me at the Copa  
Meet me at the Copa tonight

There are those who just adore the Art Museum  
And out in Brooklyn, there's a Ballpark and a team  
But I don't care a whole lot if I never see 'em  
Meet me at the Copa, meet me at the Copa  
Meet me at the Copa tonight

The show goes on, and on, and on  
Do you hear the applause and the cheering?  
Even if you're wooing, drop what you're doing  
Hurry down to see what you're hearing

On 52nd street, they now have burlesque  
Or you can climb the Empire State to see the view  
But all that stuff's for squares, here's my advice to you  
Meet me at the Copa, meet me at the Copa  
Meet me at the Copa tonight

Now some of you may like to go to movie shows  
Or walk along Fifth Avenue to view the clothes  
But here's the place that's famous for Durante's nose  
Meet me at the Copa, meet me at the Copa  
Meet me at the Copa tonight

You'll see the nicest people in the nicest cars  
They've come to see the lounge, the club, the lovely  
bars  
And it's the spot where stars come just to see the stars  
Meet me at the Copa, meet me at the Copa  
Meet me at the Copa tonight

The show goes on, and on, and on  
Do you hear the applause and the cheering?  
Even if you're wooing, drop what you're doing  
Hurry down and see what you're hearing

The most amazing club in town you will admit

It's imitated quite a lot but this is it  
And if you wanna see where all the new acts hit  
Meet me at the Copa, meet me at the Copa  
Meet me at the Copa tonight
