"Moonlight Becomes You"

You're all dressed up to go dreaming
Now don't tell me I'm wrong
And what a night to go dreaming
Mind if I tag along

Moonlight becomes, it goes with your hair
You certainly know the right thing to wear
Moonlight becomes you, I'm thrilled at the sight
And I could get so romantic tonight

You're all dressed up to go dreaming
Now don't you tell me I'm wrong
What a night to go dreaming
Mind if I tag along

And if I say, "I love you"
I want you to know
It's not just because there's moonlight
Although moonlight becomes you so
