My girl  
Is violins and candlelight  
My girl  
Is star-shine on a summer night

Lucky heart  
To be part of a love like this  
Where every single kiss  
Is a short-cut to heaven

Heaven knows  
She's everything that's dear to me  
She smiles  
And cloudy days are clear to me

Yes, the world is my oyster  
And I've got the pearl  
And I'm happy  
'Cause I've got my girl

My girl  
Is autumn days and skies of gold  
A fire to dream by  
When the night is cold  
Yes, the world is my oyster  
And I've got the pearl  
I'm happy  
'Cause I've got my girl
