The night is young and you're so beautiful,

Here among the shadows, beautiful lady, open you  
heart.

The scene is set, the breezes sing of it,

Can't you get into the swing of it, lady, when do we  
start?

When the lady is kissable and the evening is cool,

Any dream is permissible in the heart of a fool.

The moon is high and you're so glamorous,

And if I seem over amorous, lady, what can I do?

The night is young and I'm in love with you.
