Now is the hour when we must say goodbye
Soon you'll be sailing far across the sea
While you're away, oh, then remember me
When you return, you'll find me waiting here

Sunset glow fades in the west
Night over the valley is creeping
Birds cuddle down in their nest
Soon all the world will be sleeping

Now is the hour when we must goodbye
Soon you'll be sailing far across the sea
While you're away, oh, then remember me
When you return, you'll find me waiting here
