When they met, the way they smiled, I saw that I was  
through  
Oh, you crazy moon, what did you do?  
And when they kissed, they tried to say that it was just  
in fun  
Oh, you crazy moon, look what you've done

Once you promised me, you know, that it would never  
end  
You should be ashamed to show your funny face, my  
friend

There they are, they fell in love, I guess you think that  
you're smart  
Oh, you crazy moon, you broke my heart

[instrumental]

Once you promised me, you know, that it would never  
end  
You should be ashamed to show your funny face, my  
friend  
And there they are, they fell in love, I guess you think  
that you're smart  
Oh, you crazy moon, you broke my heart
