"On The Island Of Stromboli"

On the island of Stromboli, recklessly I gave my heart,
On the island of Stromboli, every dream I own had its
start.

If you tell me it was madness, I can only shrug and
sigh,
If you ask me for a reason, I can't tell you why.

It wasn't the moonlight, for there wasn't a moon.
No violins were playing, yet our heart-strings were in
tune.

How can I forget Stromboli, how can I begin to try,
Tell me I'll regret Stromboli, I'll say what care I?

(musical interlude)

No luce da luna, perche luna non c'era
Sez ai en quan di violini
Con ecuando se en son,

How can I forget Stromboli, how can I begin to try,
Tell me I'll regret Stromboli, I'll say what care I?
