You came to me from out of nowhere
You took my heart and found it free
Wonderful dreams, wonderful schemes from nowhere
Made every hour sweet as a flower to me

And if you should go back to your nowhere
Leaving me with a memory
I'll always wait for your return out of nowhere
Hoping you'll bring your love to me

When I least expected, kindly faith directed
You to make each dream of mine come true
And if it's clear or raining, there is no explaining
Things just happened and so did you

You came to me from out of nowhere
You took my heart and you found it free
Wonderful dreams, wonderful schemes from nowhere
Made every hour sweet as a flower to me

And if you should go back to your nowhere
Leaving me with, with my memory
I'll always wait for your return out of nowhere
Hoping you'll bring your love to me
