Perdido,  
I look for my heart  
It's perdido  
I lost it way down in torito  
The day the fiesta started

Bolero,  
I sway that they play the bolero  
I kissed me the listing sombrero  
And that's when my heart departed

High, was the sun when I held her close  
Low, was the moon when we said, "adios"

Perdido  
My heart ever since is perdido  
I know I must go to torito  
To find what I lost perdido

(scat)

High, was the sun when I held her close  
Low, was the moon when we said, "adios"
