Please teacher, teach me something  
Nice teacher, teach me something  
I'm as awkward as a camel  
That's not the worst

My two feet haven't met yet  
But I'll be teacher's pet yet  
'Cause I'm gonna learn  
To dance or burst

Nothing is impossible I have found  
For when my chin is on the ground  
I pick myself up, dust myself off  
Start all over again

Don't lose your confidence if you slip  
Be grateful for a pleasant trip  
And pick yourself up, dust yourself off  
Start all over again

Work like a soul inspired  
Till the battle of the day is won  
You may be sick and tired  
But you'll be a man, my son

Will you remember the famous men  
Who had to fall to rise again?  
So take a deep breath  
Pick yourself up, dust yourself off  
Start all over again

I'll get some self assurance  
If your endurance is great  
I'll learn by easy stages  
If you're courageous and wait

To feel the strength I want to  
I must hang on to your hand  
Maybe by the time I'm fifty  
I'll get up and do a nifty

Nothing is impossible I have found

For when my chin is on the ground  
I pick myself up, dust myself off  
Start all over again

Don't lose your confidence if you slip  
Be grateful for a pleasant trip  
And pick yourself up, dust yourself off  
Start all over again

Work like a soul inspired  
Till the battle of the day is won  
You may be sick and tired  
But you'll be a man, my son

Will you remember the famous men  
Who had to fall to rise again?  
So take a deep breath  
Pick yourself up, dust yourself off  
Start all over again
