Poinciana, your branches speak to me of love  
Pale moon is casting shadows from above  
Poinciana, somehow I feel the jungle heat  
Within me, there grows a rhythmic, savage beat

Love is everywhere, it's magic perfume fills the air  
To and fro you sway, my heart's in time, I've learned to  
care  
Poinciana, from now until the dawning day  
I'll learn to love forever, come what may

Love is everywhere, it's magic perfume fills the air  
To and fro you sway, my heart's in time, I've learned to  
care  
Poinciana, from now until the dawning day  
I'll learn to love forever, come what may
