Poor Butterfly, 'neath the blossoms waiting
Poor Butterfly, for she loved him so
The moments pass into hours
The hours pass into years

And as she smiles through her tears
She murmurs low
The moon and I know that he'll be faithful
I'm sure he'll come back by and by

But if he don't come back, I just must die
Poor Butterfly

Poor Butterfly, 'neath the blossoms waiting
Poor Butterfly, for she loved him so
The moments pass into hours
The hours pass into years

And as she smiles through her tears
She murmurs low
The moon and I know that he'll be faithful
I'm sure he'll come back by and by

But if he don't come back, I just must die
Poor Butterfly

Poor Butterfly, 'neath the blossoms waiting
Poor Butterfly, for she loved him so
The moments pass into hours
The hours pass into years

And as she smiles through her tears
She murmurs low
The moon and I know that he'll be faithful
I'm sure he'll come back by and by

But if he don't come back, I just must die
Poor Butterfly
