Saturday night is the loneliest night in the week
'Cause that's the night that my sweetie and I
Used to dance cheek to cheek
I don't mind Sunday night at all
'Cause that's the night friends come to call
And Monday to Friday go fast and another week is past

But Saturday night is the loneliest night in the week
I sing the song that I sang for the memories I usually
seek
Until I hear you at the door
Until you're in my arms once more
Saturday night is the loneliest night of the week

Saturday night is the loneliest night in the week
I sing the song that I sang for the memories I usually
seek
Until I hear you at that door
Until you're in my arms once more
Saturday night is the loneliest night of the week

Until I hear you at the door
Until you're in my arms once more
Saturday night is the loneliest night of the week
