Shake down the stars, pull down the clouds  
Turn off the moon, do it soon  
I can't enjoy this night without you

Shake down the stars

Dry up the streams, stop all my dreams  
Cut off the breeze, do it please  
I never thought I'd cry about you

Shake down the stars

I gave you my arms, my lips, my heart, my love, my  
life, my all  
But the best that I had to offer you  
I found was all too small

Crush every rose, hush every prayer  
Break every vow, do it now  
I know I cannot live without you

Shake down the stars
