Some other time  
I could resist you, yes  
Some other time  
Not now

There is no rhyme  
Now that I've kissed you  
With all that is me  
I thee endow

Imagine me thinking you could never phase me  
The tricks my imagination plays me  
You smile and this heart of mine betrays me  
You know, it's so

Let's take a vow  
True love forever  
Not some other time  
But now

Imagine me thinking you could never phase me  
The tricks my imagination plays me  
You smile and this heart of mine betrays me  
You know, that it's so

Let's take a vow  
True love forever  
Not some other time  
But now
