Somebody loves me, I wonder who  
I wonder who she can be  
Somebody needs me, I wish that I knew  
Who she can be worries me

Every girl who passes by, I shout  
"Hey, maybe you were meant to be my lovin' baby"  
(You were meant to be my baby)  
Somebody loves me, I wonder who  
Maybe it's you

Won't you believe me?  
Somebody loves me, I wonder who

I wonder who that baby can be  
She's a killer, thriller

Somebody wants me, I wish that I knew  
Who she can be worries me

Every girl who passes by, I shout  
"Hey, maybe you were meant to be my ever lovin'  
baby"  
(Hey, maybe baby, it's you)  
Somebody loves me, I just wonder who  
Or maybe, maybe, maybe it's you
