Foolish lover's quarrel that they never should have
started
A silly lover's quarrel and it's left them broken-hearted

Oh, I'm sorry
Can't you see that I'm sorry?
All my life I'll be sorry
I was mean to you

You're so dear to me, when you're near to me
The whole world seems fine
Need you so, how I long to know
You'll always be mine

I'm sorry
Will you ever forgive me?
Heaven knows I'll be sorry
If you say we're through

So have a heart
Say we'll never part again
Darling, I love you
Won't you tell me you're sorry too

I'm sorry
(Take him back, oh, take him back, he didn't mean it)
Will you ever forgive me?
(Take him back, oh, take him back, he never meant to
hurt you)

Heaven knows I'll be sorry
(Please forgive him, please forgive him)
If you say we're though
(Take him back, oh, never say you're through)

So have a heart
Say we'll never part again
(Darling, I love you)
Won't you tell me you're sorry too?
(Take him back, oh, take him back, or maybe you'll be
sorry too)
