Strange music in my ears
Only now as you spoke did it start
Strange music of the sphere
Could its lovely hum be coming from my heart

You appear and I hear song sublime
Song that I'm incapable of

So dear, let me hold you near
While we treasure every measure
So that time can never change
The strange new music of love

You appear and I hear song sublime
Song that I'm incapable of

So dear, let me hold you near
While we treasure every measure
So that time can never change
The strange new music of love
