She's a sunflower, she's my one flower
She's the flower of my heart

I was born in Kansas, I was bred in Kansas
And when I get married, I'll be wed in Kansas
There's a true-blue gal who promised she would wait
She's a sunflower from the sunflower state

She's a sunflower, she's my sunflower
And I know we'll never part
She's a sunflower, she's my one flower
She's the flower of my heart

Troubles end in Kansas, folks unbend in Kansas
Everyone you'll meet will be your friend in Kansas
And they'll all be there to help me celebrate
With my sunflower from the sunflower state

She's a sunflower, she's my sunflower
And I know we'll never part
She's a sunflower, she's my one flower
She's the flower of my heart

Oh, the moon is brighter and stars are bluer
And the gals are sweeter and their hearts are truer
And I'm here to state, there's one who's really great
She's that sunflower from the sunflower state

She's a sunflower, she's my sunflower
And I'm sure we'll never part
She's a sunflower, she's my one flower
She's the flower of my heart
