Talk to me, talk to me, talk to me
Your magical kiss can take me just so far
Talk to me, talk to me, talk to me
Don't leave me like this dangling from a star

You set me all aflame and it's so pleasin'
It sure would be a shame if you were only teasin'
So my love, before I go turn the light way down low
And talk to me, talk to me, talk to me

Your magical kiss can take me just so far
Don't leave me like this dangling from a star

You set me all aflame and it's so pleasin'
It sure would be a shame if you were only teasin'
So my love, before I go turn the light way down low
And then talk to me, talk to me, talk to me
