

Frank Sinatra "Tell Her You Love Her"

Visit "[Tell Her You Love Her](#)" on MotoLyrics.com

Tell her you love her each day,
You'll make her happy that way.
A simple "i love you" means more than money,
And with a kiss or two her life is sunny.

Give her a reason to live,
She needs the love that you give,
Always remember that is what she lives for

She hopes you love her ...
Tell her you love her!
Tell her you love her --
Today!

Chorus:
Give her a reason to live,
She needs the love that you give.

Always remember that is what she lives for

She hopes you love her ...
Tell her you love her!
Tell her you love her --
Today!
