The evening breeze caressed the trees tenderly,
The trembling trees embraced the breeze tenderly.
Then you and I came wandering by,
And lost in a sigh were we.

The shore was kissed by sea and mist tenderly;
I can't forget how two hearts met breathlessly.
Your arms opened wide and closed me inside;
You took my lips, you took my love so tenderly.

(Instrumental)

The shore was kissed by sea and mist tenderly;
I can't forget how two hearts met breathlessly.
Your arms opened wide and closed me inside;
You took my lips, you took my love so tenderly.
