The night is bitter  
The stars have lost their glitter  
The winds grow colder  
Suddenly you're a lot older  
And all because of the gal that got away

No more her eager call  
The writing is on the wall  
All those dreams you dreamed  
They have all gone astray

The gal who won you  
She's run off and undone you  
That great beginning  
Has seen its final inning  
I don't know what happened  
It's all a crazy game

No more - no more that all time thrill  
Because you have been put though the mill  
And never a new love  
Will ever be the same

Good riddance good-bye  
Every trick of hers you are on to  
But fools will be fools  
And where's she gone? - Where has she gone?

The road gets rougher  
It's lonelier and it's tougher  
With hope you burn up  
Tomorrow maybe she'll turn up  
There ain't no let up  
Live long night, night and day

Ever since, (since) this world began  
There ain't nothin' sadder than  
A long lost loser  
Lookin' for his gal who got away

Please come back

Won't you come back
