Time, there was a time you could talk to me without  
speaking,  
You would look at me, and I'd know all there is to know.  
Days I think of you, and remember the lies we told in  
the night,  
The love we knew, the things we shared, when our  
hearts were fitting together.  
Days that were so few, full of love and you.  
Gone,. the days are gone now, days that seem so  
wrong now.  
Life won't be the same without you, to hold again in my  
arms,  
To ease the pain and remember when our love was the  
reason for living.  
(instrumental)  
Days that were so few, full of love and you.  
The game is over.
