In a quaint caravan there's a lady they call The Gypsy,
She can look at the future and drive away all your
fears,
Everything will come out right if you only believe The
Gypsy,
She can tell at a glance that my heart was full of tears.
She looked at my hand and told me my lover was
always true,
But deep in my heart I knew dear, somebody else was
kissing you.
I will go there again 'cause I want to believe The Gypsy,
That my lover is true and she'll come back to me
someday.
