It's the last dance, we've come to the last dance  
They're dimming the lights down, they're hoping we'll  
go  
It's obvious they're aware of us, the pair of us, alone on  
the floor  
Still I want to hold you like this forever and more

It the last song, they're playing the last song  
The orchestra's yawning, they're sleepy I know  
They're wondering just when will we leave, but till we  
leave, keep holding me tight  
Through the last dance, each beat of the last dance  
Save me the first dance in your dreams tonight  
[instrumental-strings and clarinet]

They're wondering just when will we leave, but till we  
leave, keep holding me tight  
Through the last dance, each beat of the last dance  
And save me the first dance in your dreams tonight
