Look down - look down  
That lonesome road  
Before you travel on

Look up - look up  
And seek your maker  
Before (Mr.) Gabriel blows his horn

(I'm) Weary (of) toting - such a (heavy) load  
Trudging down - the (that) lonesome road

Look down - look down  
That lonesome road  
Before (before) you travel on

True love - true love  
What have I done  
That you should treat me so

You - caused me  
To walk and talk  
Like I never did before

(I'm) Weary (of) toting - such a (heavy) load  
Trudging down - the (that) lonesome road

Look down - look down (look down - look down)  
That lonesome road  
Before (before) you (decide to) travel on
