The most beautiful girl in the world picks my ties out
She eats my candy, she drinks my brandy
The most beautiful girl in the world

The most beautiful star in the world, she isn't Garbo
Isn't Dietrich but a sweet trick
Who can make me believe it's a beautiful world

Social, not a bit
Natural kind of wit
She'd shine anywhere
And she hasn't got platinum hair

The most beautiful house in the world has a mortgage
What do I care? It's "Goodbye, care"
When my slippers are next to the ones that belong
To the one and only beautiful girl in the world

Social, not a bit
She's got a natural kind of wit
And I tell ya, she'd shine anywhere
And she hasn't got platinum hair

The most beautiful house in the world, it has a
mortgage
What do I care? It's "Goodbye, care"
When my slippers are next to the ones that belong
To the one and only beautiful girl

The one and only beautiful girl
The one and only beautiful girl in the world
