The old master painter from the faraway hills  
Painted the violets and the daffodils  
He put the purple in the twilight haze  
Then did a rainbow for the rainy days

Dreamed up the murals on the blue summer skies  
Painted the Devil in my darling's eyes  
Captured the dreamer with a thousand thrills  
The old master painter from the faraway hills

Then came his masterpiece and when he was through  
He smiled down from Heaven and he gave me you  
What a beautiful job on that wonderful day  
The old master painter from the hills far away

Then came his masterpiece and when he was through  
He smiled down from Heaven and he gave me you  
What a beautiful job on that wonderful day  
The old master painter from the hills far away

The old master painter from the faraway hills  
Painted the violets and the daffodils  
He put the purple in the twilight haze  
Then did a rainbow for the rainy days

Dreamed up the murals on the blue summer skies  
Painted the Devil in my darling's eyes  
Captured the dreamer with a thousand thrills  
The old master painter from the faraway hills

Then came his masterpiece and when he was through  
He smiled down from Heaven and he gave me you  
What a beautiful job on that wonderful day  
The old master painter from the hills far away

Far away, far away, far away
