If her voice is a song and her walk is a dance
And if her laugh is warm and free
If I suddenly seem to be seeing a dream
She's the right girl for me

If the glow in her eyes and the light in her smile
Could charm a bird right off a tree
I'll be charmed as a bird and I'll know in a word
She's the right girl for me

She'll have a simple sweet appeal
That wins my affection
She'll be the kind who'll make me feel
But she needs my protection

If the sight of her face and the touch of her hand
Can make me happy as can be
If my heart says, "Come in, darling where have you
been?"
She's the right girl for me

If the sight of her face and the touch of her hand
Can make me happy as can be
If my heart says, "Come in, darling where have you
been?"
She's the right girl for me, she's the right girl for me
