"The Summer Wind"

The summer wind came blowin' in
From across the sea
It lingered there
To touch your hair and walk with me
All summer long
We sang a song
And then we strolled that golden sand
Two sweethearts and the summer wind

Like painted kites
Those days and nights
They went flyin' by
The world was new
Beneath the blue
Umbrella sky
Then softer than
A piper man
One day it called to you
I lost you
I lost you to the summer wind

The autumn wind
And the winter winds
They have come and gone
And still the days
Those lonely days
They go on and on
And guess who sighs
His lullabies
Through nights that never end
My fickle friend
The summer wind
The summer wind
Warm summer wind
The summer wind
