In the hustle of the day, we're all inclined to miss  
Little things that mean so much, a word, a smile and a  
kiss

When a woman loves a man, he's a hero in her eyes  
And a hero he can always be if he'll just realize

She may be weary, women do get weary, wearing the  
same shabby dress

And when she's weary, try a little tenderness  
She may be waiting, just anticipating things she may  
never possess

While she's without them, try a little tenderness

It's not just sentimental, she has her grief and her care  
And a word that's soft and gentle makes it easier to  
bear

You won't regret it, women don't forget it  
Love is their whole happiness and it's all so easy, try a  
little tenderness
