Hey, one heart is not enough, baby, two hearts make you feel crazy.
One makes you feel is so nice, two gets to put you in paradise,
Two hearts, two kisses, make one love.
Two hearts beat as one. dear, two arms make me know you care,
I have plenty of loving, your kiss is hotter than an oven.
Two hearts, two kisses, make one love.
Loving you, baby, is my desire, I know that you can set this world afire.
Little spark burning down deep inside, love should be ma-ade by two,
Two hearts beats as one, dear, two arms make me know you care.
I have plenty of loving, your kiss is hotter than an oven.
Two hearts, two kisses makes one love.

Loving you, baby, is my desire, I know that you can set this here world on fire.
Little spark burning down deep inside, love should be ma-ade by two
Two hearts beat as one, my dear, two hearts will make me know you care.
I have plenty of loving, and your kiss is hotter than an oven.
Two hearts, two kisses make one love.
You hear me, two hearts, two kisses make one love.
