Hey, one heart is not enough, baby
Two hearts makes you feel crazy
One kiss make you feel so nice
Two kisses puts you in paradise
Two hearts, two kisses make one love

Two hearts beat as one, dear
Two arms make me know you care
I have plenty of loving
Your kiss is hotter than an oven
Two hearts, two kisses make one love

Loving you, baby, is my desire
I know that you can set this world on fire
Little spark is burning deep inside
Love should be made by two

Two hearts beats as one, dear
Two arms will make me know you care
I have plenty of loving
Your kiss is hotter than an oven
Two hearts, two kisses make one love

Loving you, baby, is my desire
I know that you can set this here world on fire
Little spark is burning down deep inside
Love should be made by two

Two hearts beat as one, my dear
Two arms will make me know you care
I have plenty of loving
And your kiss is hotter than an oven
Two hearts, two kisses make one love

You hear me
Two hearts, two kisses make one love
