Walk away, walk away  
Don't even stop to look around  
Goodbye's such a lonely sound  
When love is gone, it's best to move on

Walk away, yesterday we had some fun my love  
But that fun is done my love  
There's nothing to say, just walk away

Remember the time you told me  
That I'm not the kind to ever make it last  
It's easy to tell, that you knew me well  
You picked the villain in the cast

You'll be ok, walk away  
No use regretting it, just start forgetting it  
When love is all through  
The best thing to do is walk away

Just try forgetting it  
'Cause when love is all through  
The best thing to do is walk away  
Walk away, walk away
