Was the last time I saw you, the last time?
Or can I hope to hold you once more?
What about me, could have made you doubt me?
Want to live without me?
Loving me no more?

From the first time I saw you, I loved you
And to me, darling, you were romance
Was the last time I saw you, the last time?
Or will you give love one more chance?

(musical interlude)

From the first time I saw you, I loved you
And to me, darling, you were romance
Was the last time I saw you, the last time?
Or will you give love one more chance?
