Let's someone, start believing in you
Let him hold out his hands
Let him touch you and watch what happens

When someone who can look in your eyes
And he's seeing into your heart
Let him find you and watch what happens

Couse, no I won't believe your heart is cold
Maybe is just afraid, to be broken again

Let Someone with a deep love to give
Give that deep love to you and what magic you'll see

Let someone, one with a deep love to give
Give that deep love to you and what magic you'll see
Let someone give his heart
Someone who cares like me
Someone who cares like me

You'r gonna love what happen
